Starting off the summer with some good ol' fishing

Announcements

The Summer Fun program for the Children & Families Program will take place from June 3rd thru July 26th. Following the summer program, MCC will have the dirt lot paved to create a parking lot; this project is expected to take about three months. KSP has openings available. If you are interested in adding an extra day or if you have a friend, neighbor, or relative who might like to join, please get in touch with us. From the KSP Ohana

Aloha KSP clients and families! May was a slower month, but we still had fun activities for our Kupuna to enjoy: Kupuna made leis for May Day, wrote cards for Mother's Day, and strung their very own bead bracelets. KSP attended two seminars where they learned about the effects of aneurysms and the services Maunalani Nursing and Rehabilitation Center has to offer. A few Kupuna also had fun browsing the Anything & Everything Sale held by the Senior Center Program and viewed the various art from the MSC Painting & Drawing class.
