From the KSP Ohana

Aloha KSP clients and families! April was a month full of activities for the Kupuna. There were seminars where special guests came to share their knowledge on topics such as Health Care, Memory Care, and Hospice Care.

We also had the privilege of having Joy Shimabukuro of the TV series "The Joy of Crafting" along with Lynn Ushijima, both of HouseMart Ben Franklin Crafts, come and teach our Kupuna to make their own "Easter Bunny Fan". For the Kupuna it was a day to remember. There were other fun-filled crafts that kept them busy through the month like creating their own Easter baskets and coloring their own Easter egg.

May is fast approaching and KSP is preparing an abundance of activities celebrating spring and the various May holidays. We expect a lot of fun times to come!
